

"LRS proved to be very knowledgeable and experienced, they provided good advice and forewarned of potential problems. By their professional approach they ensured that the project was completed successfully, in complete accordance with the guidelines, and with no chance of successful legal challenge"

Steve McCreesh - Group Engineer Roads
Lancashire County Council
Heysham to M6 Link Classified Road

"We were appointed on a project with Land Referencing Services and not having met LRS before, we were really pleased with their professionalism and attitude, which is hands-on and can-do. If you are looking for attention to detail, hard graft and team players then you should use their services"

Karen Howard - Partner
Wragge and Co LLP
Ocean Estate Stepney London

"The combined experience of Parma and Martin ensure a quality, reliable service. Their approach to referencing is meticulous and they provide a responsive and friendly service"

Jo Ekanayake - Senior Associate
Ashurst LLP
Heron Quays Canary Wharf

"LRS provide a full yet cost effective land referencing service and are able to produce good quality land schedules without undue reference back to the legal team; they are responsive to the requirements of the clients and extremely thorough in the investigations they undertake"

Marian Griffiths – Director
Cobbetts LLP

"As a Partner of Donaldsons and Director of DTZ I have worked with Parma and LRS on a number of the country's largest retail led mixed use schemes. I have seen client's needs consistently met and frequently exceeded, indeed on several instances savings of tens of thousands of pounds were made as a result of Parma's involvement"

Nigel Riley - Director
Citicentric Property Consultants

"LRS provided a swift and competitive service. They tackled areas where they experienced frustration and had difficulty in obtaining information with an impressive dogged determination and delivered professional results as swiftly as was possible"

Jason Wells - Project Manager
Great Yarmouth & Lowerstoft Quayside Intervention Areas
1st East Regeneration
